

Faith Feeds: Hunger Calls. Your Faith Answers.

This summer, our neighbors in Buncombe County are facing increasing food insecurity. With children home from school, rising food costs, and Hurricane Helene's continued impact on our community, the need for consistent food support has never been greater. On top of that, historic public supports for hunger initiatives are running low.

[CHURCH NAME] is joining ABCCM's **Faith Feeds** campaign to help provide 800 households each week with nutritious food boxes throughout July, August, and September. This is our opportunity to live out our faith by directly feeding our neighbors in need.

How We'll Participate:

Our Commitment: [CHURCH NAME] has pledged to provide [NUMBER] food boxes each week during the campaign.

How You Can Help:
