

# Faith Feeds

## Food Drive

Hunger calls. Your faith answers.

This winter, many of our neighbors in Buncombe County are facing growing food insecurity. With reductions in SNAP benefits, rising food and heating costs, and the lingering impact of Hurricane Helene, families across our community are struggling to keep their pantries stocked and their homes warm.

We believe that the churches in **Buncombe County** and the **Greater Asheville Area** have the faith, compassion, and capacity to make a difference. Together, we can ensure that no one in our community faces hunger alone this winter. Join the **Faith Feeds Winter campaign**. Please help keep our community's food pantries stocked from November through February.

## Three easy steps for your church...

### Prepare

Share the food list from the **Faith Feeds Shopping list** with your church members. Set a weekly goal for your church and decide how you will achieve that goal together. Visit [abccm.org/faithfeeds](https://abccm.org/faithfeeds) to share your pledge.

### Gather

Have church members collect food throughout the week, and on **Sunday**, bless your **Faith Feeds donations**. You may also include personal notes of encouragement and support for families in your donations.

### Deliver

On **Monday** or **Tuesday** of the following week, deliver your Faith Feeds donations to ABCCM's warehouse located at **1845 Brevard Rd, Arden** or any Crisis Ministry location.

Make your church's pledge, download shopping lists and other resources at [abccm.org/faithfeeds](https://abccm.org/faithfeeds)
